These are the answers from the groups as we asked the question “what could we do in the next six weeks to engage the community within 1Km of our current location”

Group 1	Group 2	Group 3
Something with surfing Maroubra Junction / Pacific Square Common interests? Kids Club - Junction Kids, more leaders, home visits to get to know fams,	Social sporting event / BBQ (heffernon Prark / Coarl sea park) Tutoring local kids Youth Center (bless them somehow) No stings attached service to people in community. Pacific Square fairtrade awareness stall (partner with oxfam?) Uni students?	Pup Trivia nights - join with others in teams to meet people, make it a weekly thing Lawn bowls (social events) Using facilities that Maroubra already has Driving people home from the pub?

What of these ideas starts to excite you? In what ways can we see the Kingdom come on earth as it is in heaven?

Lets continue to think about how we can be a **conspiracy of little Jesus!**
